SOUTHERNER

To India
 my heart beat found
 in the whole world.
 Don't go off and forget who
 your friend is. I'm an order (mum)
 be so close for so long. Let's keep it that
 way. Keep in touch. I'll be back in the end
 future wherever you go. But anyway let's try and
 stay together.

Carmy Acord

I am glad to have been here at South Mountain for the past four years. The progress it has made has been a never ending source of pride to me. Best of Luck to the Class of 84 and thank-you Rebels for giving me the best years of my life.

George V. Ramsey

The past four years will always be cherished by me. We've all worked together striving for a better educational institution, and we've made tremendous progress. Serving as your president has proven to me that South Mountain is an excellent school; I hope that all Rebels will continue to make it an even better school. May God bless, and may we all meet again some day

Dore Shivers

To the class of 84: My four years at South have been special. My thanks to all of the teachers and students who have been helpful to me. I'm proud of the class of 84; keep up the good work with the hope that you goals are fulfilled. God bless each and every one of you who have been a part of my life at South Mountain High

Stacy Childers

It has been nice being at South for the past three years. Good luck to all the Seniors, and best wishes to the upcoming Seniors

*Hendell Craig**

Fellow Rebels: South Mountain High stands second to none. It's absolutely the best. My only regret is that I won't be back for another year. Thanks for being #1

Sylvia Jumper

It seems just like yesterday I started attending South High, and now the time has come to say farewell to my fellow classmates, and to thank the teachers who have helped me throughout my four years at South Mountain High. I wish all of you "Rebels" the best in life. May GOD bless you in everything you accomplish. Good luck in the Future

Judy Mercado

The years here at SMHS have been fun, mostly crazy, and totally something else, and the memories will always be with me. To the class of '84 I wish you all happiness and success. Life has to give. Undergrads - Be proud, you're a REBEL!

Elizabeth G. Hector

Congratulations Seniors, we've finally reached the highest point we've been waiting for. It's time for us to realize what the world is holding in store for us - all the many advantages and disadvantages. To the class of '84 and those following, I am wishing the best of luck & success.

Susy Bravillo

My years at SMHS have been fun, exciting, crazy and wonderful. I will never forget the people who helped me get through my four years at SMHS. To the class of '84, remember we got more in '84. Good luck to all and keep that Rebel Spirit High!

Maxine Loree Stratton

To the class of '84' I am a former Longhorn and have spent the last two years at South. The times have been pretty good and I have met many nice people. It's been fun being a Rebel, but Longhorns are still #1. So I and my former East High partners (V. Cooke, J. Smith, A. Johnson) leave our pride to you. Good luck to all you underclassmen.

Carol Ann Mendez

My couple of years here at SMHS have been most memorable. I'd like to thank all my teachers, my friends and my parents for helping me through these years. To the class of '84 I wish the best, and to the underclassmen all the luck in the world.

Sylvia Juntara

To the Senior class: I wish you all the best. To all underclassmen: you have a few more years to become as bad as we are. To Mr. Lebewitz: I leave my love and gratitude. We, graduating seniors, this is it. Good Luck!
